THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (DR. Some colleges have, however, increased the charges like Development charge, Science charge, Sports charge, Maintenance charge, Students Union Fund, etc. to improve the infrastructural facilities. A couple of colleges have also introducted a new charge named Establishment fee to meet the additional cost of staff salary as a result of revision of their pay scales. This fee has been opposed by the students. The Delhi University authorities have taken up this issue with the concerned colleges. The colleges have agreed to review their decision and have assured that no amount of students' fund would be spent on salaries of the staff.

(d) and (e) Do not arise.
